

GRAND NATIONAL TEAMS 2011-2012

ACBL SPECIAL CONDITIONS OF CONTEST

Lack of knowledge does not constitute cause for exception to these conditions of contest. These conditions of contest may not be changed at any level of play during the course of this event. The general conditions of contest for Swiss team and knockout teams events will apply to this event subject to the following special conditions of contest.

It is the spirit of these conditions that the Grand National Teams be a "grass roots" event, with each participant competing in his/her district of membership. Please see Appendix I to these conditions of contest.

Each participant in the GNT, beyond the club qualifying level, must be a dues paying or service fee paid up ACBL member.

I. DISTRICT DIRECTOR AUTHORITY

All ACBL tournament regulations, though not specifically included in these conditions, apply throughout this event. The District Director or designee has final authority on any item not specified in the conditions of contest.

II. GENERAL

- 1) This is a team event in which each ACBL district will name a district champion in each category by means of a fair competition that is not necessarily the same from district to district. These district champions then may compete in the national final of their respective category.
- 2) A player may represent the district in only one flight at the national final. Teams in the national final will not be subsidized in any way by the ACBL.
- 3) A district may elect not to name a district champion in Flight A (0-5000).
- 4) The flights are as follows:

FLIGHT	MASTERPOINT LIMITS
Open Championship Flight	Unlimited
Flight A	Under 5000 Masterpoints
Flight B	Under 2000 Masterpoints
Flight C	Non-Life Master under 500 Masterpoints

Flight eligibility will be established by ACBL's September masterpoint cycle. This information will be produced on August 6, 2011 in Horn Lake, MS. Masterpoints won after this cycle will not impact flight eligibility for these events.

- 5) At district option, each flight may be played at one or more levels. (Club, Unit, or District) The District level must be flighted, but at the club and unit levels the events may be flighted or stratified. In a stratified event the Open Championship and Flight A must be combined for play and masterpoint awards. In a stratified field at the club or unit level:
 - a. All teams are eligible for qualification to the Open Championship Flight.
 - b. All teams are eligible for Flight A qualification with the exception of a team with a member over 5000 masterpoints.
 - c. All teams are eligible for Flight B qualification with the exception of a team with a member over 2000 masterpoints.
 - d. All teams are eligible for Flight C qualification with the exception of a team with a member over 500 masterpoints or one who has achieved the rank of Life Master.
- 6) ACBL rules and regulations govern play at every level of the event, and supersede district conditions in cases of conflict.

III. CONVENTIONS

At district option, the ACBL Midchart may apply at the district level of the GNT - Open Championship and Flight A provided that this has been included in the district conditions of contest.

IV. DISTRICT REQUIREMENTS

Each district shall determine the nature of the event by which it declares its district champions, and file its Conditions of Contest with ACBL Special Events no later than September 1, 2011. Those conditions must include the following:

- 1) Name and contact information of the person to whom questions should be directed.
- 2) Proposed dates for the District Final
- 3) Format of the District Final, including contingencies for any number of teams in each flight, and the number of boards to be played.
- 4) District Finals may be scheduled any time after September 1, 2011.

- 5) No level or stage may be scheduled which would prevent a player from attending one or more days of a North American Bridge Championships or participating in the United States Bridge Championship, the United States Women's Bridge Championship, the Senior Trials United States Senior Bridge Championships, Canadian Bridge Week or the Junior Bridge Championships. The national final for all flights will begin on the Wednesday afternoon prior to the Summer NABC.

V. ENTRY REQUIREMENTS

- 1) The Championship Flight is open to any player, except as previously noted.
- 2) Flight A is open only to a player who has fewer than 5000 masterpoints recorded as of the September cycle.

NOTE: If the event is stratified at the Club or Unit Levels, the Open Championship Flight and Flight A are combined (in compliance with ACBL Regulations) to create only three strata.

- 3) Flight B is open only to players who have fewer than 2000 masterpoints as of the September cycle.
- 4) Flight C is open only to players with fewer than 500 masterpoints who have not attained the rank of Life Master as of the September cycle.
- 5) Teams may consist of four, five or six eligible players.
- 6) Masterpoints won in other bridge organizations, either domestic or foreign, must be taken into account for placement in the flights.
- 7) A player's bridge experience may be taken into account to determine the proper flight.
- 8) The director-in-charge is authorized to make the decision on the player's classification.

VI. REPLACEMENTS AND SUBSTITUTIONS

- 1) Issues regarding replacements and/or substitutions not addressed by the District conditions of contest are resolved as follows:

- a. Every team member must play at least half of the boards of each match (exclusive of play-offs) in order to continue participating on that team for the remainder of the event.
 - b. The team captain may submit an application for exemption from the requirements of this paragraph to the District Coordinator who will then submit the request to the Director in Charge of the NABC but must do so (other than for emergencies) prior to arrival at the NABC for the GNT's.
 - c. A team member granted an exemption under the previous paragraph must still play at least 40% of the boards, (excluding play-off boards), for as long as the team survived to qualify for overall masterpoint awards and other privileges.
 - d. No contestant may play any match after it has become mathematically impossible to play at least 40% of the boards (excluding play-off boards) played by the team.
- 2) If an ineligible player is disqualified, the ineligible player's team will be disqualified unless the Director-In-Charge determines that teammates were unaware of the deficiency of the disqualified member. Any team reduced to fewer than three original members due to disqualification of ineligible players is disqualified.
- a. Substitutes will be permitted at the discretion of the Director-In-Charge of the NABC. No more than two substitutes at a time will be permitted on a team
- 3) A team reduced to three members for cause at the site of the NABC will be permitted a replacement at the discretion of the Director- In-Charge. A replacement for the Finals receives match awards only. In no case is a team permitted to replace more than one player at the site of the NABC.
- 4) When a team is disqualified after the correction period, the disqualified team's rank remains vacant. In ongoing events, teams move up one qualifying position as appropriate

VII. MASTERPOINTS

FLIGHT	RATING
Championship (Open) Flight	100% of Open Rating
Flight A - (0-5000)	97.14% of Open Rating
Flight B - (0-2000)	84.34% of Open Rating
Flight C - (NLM 0-500)	60.56 % of Open Rating

--	--

- 1) If stratified, the Championship and Flight A will be combined as one flight at the unit and club levels. Size and depth of overall awards below the district final are based on the number of teams entered in that game except when unit finals are held.
- 2) Masterpoints for unit finals will be as in regular stratified team events even if all flights are not held concurrently. (NOTE: Higher flights will receive the table count of all lower flights even though they are not playing concurrently.)
- 3) Club level games shall award half red and half black points with a sectional rating. A club game conducted by invitation shall award only black points, at 80% of sectional open rating for the Championship/Flight A, 65% of sectional open rating for Flight B, and 48% of sectional open rating for Flight C.
- 4) One session unit finals will award red points with a sectional rating. Overall masterpoints awarded at two or more session unit finals are 20% gold, 80% red for the Open Championship and Flight A. Flight B awards are 10% gold, 90% red; and flight C shall award 5% gold, 95% red at sectional rating. Match awards are red with a sectional rating. Consolations of these games award black points at sectional consolation rating.
- 5) Silver points will be available at any unit level game played in conjunction with and at the site of an open Sectional tournament.
- 6) A game at any level or stage may give overall awards only if qualifying teams from that game will join teams from another site or other sites at a further level or stage. The size and depth of overall awards at any stage below the district stage in which teams play Swiss matches to qualify into a knockout will be as follows:
 - a. If two teams qualify into the KO, the award for first will be based on four teams with two overall positions.
 - b. If four teams qualify, the award will be based on eight teams, with four overall positions.
 - c. If eight teams qualify, the award will be based on 16 teams with four overall positions.
 - d. If 16 or more teams qualify, awards are based on 32 teams with eight overall positions.
 - e. In no case will any stage pay overalls based on more than the eligible teams in actual competition.

- f. The qualifying phase will pay match awards only. Teams entering the KO phase will be entitled only to the sum of all match awards or the overall award, whichever is greater.
- 7) Points awarded at the stage in which the district champion is declared are gold for overalls and red for match awards at regional rating. Swiss team events that qualify to a knockout are considered to be a part of the district finals whether they are conducted at the same site or not and do NOT award overall masterpoints. Consolations of these games award half red and half black points at Regional consolation rating. The award for first place overall for the district champion is arbitrary and is based on the number of sessions in the district final as follows:
- a. Championship Flight:
 - 2 sessions - 24.00 masterpoints
 - 3 sessions non KO event - 30.00 masterpoints
 - KO or other longer events - 36.00 masterpoints
 - Overall awards are gold. Match awards are 100% regional rated.
 - The first-place and second-place finishers earn Blue Ribbon qualifications.
 - b. Flight A:
 - 2 sessions - 20.00 masterpoints

 - KO or other longer events - 30.00 masterpoints
 - Overall awards are gold. Match awards are red and 97% of regional rating.
 - The first-place and second-place finishers earn Blue Ribbon qualifications.
 - c. Flight B:
 - 2 sessions - 18.00 masterpoints
 - 3 session non KO event - 22.00 masterpoints
 - KO or other longer events - 26.00 masterpoints
 - Overall awards are gold. Match awards are red and 84% regional rated.
 - The first-place finishers earn Blue Ribbon qualifications.
 - d. Flight C:
 - 2 sessions - 10.00 masterpoints
 - 3 session non KO event - 12.50 masterpoints
 - KO or other longer events - 15.00 masterpoints
 - Overall awards are 25% gold and 75% red. Match awards are red and 60% regional rated.

- The first place finishers earn Red Ribbon Pairs qualification

VIII. SANCTIONS, DIRECTORS AND FEES

- 1) The director must be a club rated or higher-rated director to run games at the club and intermediate level. A non-playing director is recommended by ACBL, but a club qualifying event with 17 or fewer teams may have a playing director.

APPENDIX I (Board resolution of 2008)

2011-2012 Grand National Teams Conditions of Contest

District Membership – (Board Item 082-36)

The North American Pairs and Grand National Teams were created initially with the expectation that players would play in and represent the districts in which they lived.

For the GNTs: A member's principal physical residence as of September 1 of the year prior to the National Final shall establish the district in which said member is eligible to participate beyond the club qualifying stage. For the NAPs: A member's principal residence as of June 1 of the year prior to the National Final shall establish the district in which the member is eligible to participate beyond the club level.

The expectation is that exceptions to this rule will be rare, especially in the top flight of the GNT. A player seeking an exception must obtain permission in writing from the ACBL District Director representing the district in which the member has a principal residence and from the ACBL District Director representing the district in which the member wishes to play. Both District Directors must approve the request for the exception to be granted. Further, any exceptions in the top flight must also be approved by a BOD Credentials Committee. The expectation is that District Directors will approve and forward requests to the Credentials Committee only in very special cases (see below). There is no appeal from the Credentials Committee decision.

The Credentials Committee (CC) is also responsible for clarifying which district a player is allowed to play in when said player's eligibility is in question. When a challenge to one's eligibility from a unit final stage or later stage has been made, the CC may request documentary evidence from the member whose eligibility is in question. If a member is unable to verify to the CC's satisfaction that he or she is playing in the district of the member's principal residence, the CC shall automatically disqualify the member and his or her partner. When a member is disqualified by the CC, the matter will be referred to the ACBL President who may choose to make charges to the ACBL Disciplinary Committee in

accordance with section 2.2.3 (d) of the ACBL Code of Disciplinary Regulations.

Guidelines for Exceptions:

As noted above, the expectation is that exceptions will be rare. Following are three situations where an exception may be considered:

- “Snowbird”. A member with seasonal residences who spends more than half of the GNT (September 1 – February 28) qualifying period in a district other than the district of his principal physical residence may play in the district of seasonal residence. If he chooses to do so, he must play in that district’s district finals to be eligible to play in the national finals. Such a player will not be eligible to be added to a team from the district of his principal residence.
- A player with multiple domiciles should apply to the Credentials Committee for a one-time choice of district in which he wishes to play. This player may be asked to document his time in each of his residences. The player must spend at least three months each year in a district in order to have it considered as a domicile possibility. Once a player chooses a district in which to play, he must play only in that district until he no longer has a domicile in that district.

A participant who is a full-time student, a member of the armed forces or whose employment requires temporary relocation may play in the District in which he temporarily resides.

- In rare cases, a player who is a member of a unit in a district in which he does not reside may seek permission to play in the district in which he has a unit membership. Such an exception will be considered only if all of the conditions below are met:
 - Lives sufficiently close to the district borders
 - Has been a member of the unit in which he wishes to play for at least 5 years continuously prior to the start of the competition in the year for which the exception is being requested.
 - Must not have played in the GNT or NAP in another district for that period of time.

- Must have been actively involved as a volunteer in the Unit or District in which he wishes to play for at least two years. Possibilities include, but are not limited to: Unit or District Board Member, Chair of NABC or major NABC Committee, District or Unit Recorder, Tournament Chair, or Club Manager.

Note: Simply playing bridge in the other District/Unit or having a regular partner who resides in the other District is not considered sufficient reason for an exception to the “play where you live” rule.

Any player seeking an exception for this reason must document the reasons why an exception should be considered and send it to both District Directors involved, as described above. The District Director of the District in which the player is a member must confirm the fact that the player has been an active volunteer in the District (or Unit) where the player does not live before forwarding such requests to the Credentials Committee (top flight only).

Should an exception be granted for this reason, the player is eligible to play only in that district and may not change unit affiliation unless the player’s principal physical residence changes.

The Operator must be named in preregistration, and is subject to the approval of the DiC.
- 10) Should a technical difficulty arise, which delays play for one or more matches, play in all unaffected matches shall continue, and 15 minutes will be allotted to resolve the issue before play is suspended. later time with different hands than those played during the main competition.

- 7) Any Contestant may request, but only at his turn to call or play, information concerning an opponent's methods. Such inquiries may be asked of either or both opponents, but must be asked in a

private chat. Replies to these inquiries must be given in a private chat.
